Dear Justin: MaryAnn and I would like to thank you for a job well done. We had heard of people that just had problem after problem with their pool contractor. Well, thankfully that was not the our case. Rick came up with a great design (the Grecian style and reef step are great) and John made sure everything ran smoothly. We had a slight problem with the pump motor last week, but that got taken care of so that we were able to use the pool last weekend. We're looking forward to many years of use. We will definitely recommend you to friends and neighbors (as we already have).

Sincerely,

Greg and MaryAnn
